COFFEE TABLE BOOK

In celebration of the 20 years of Moves Power Women and to offer a unique insight into the profound transformations in women's lives during those years, we are producing an original and inspiring 'coffee table' book: **"21st Century Women: Twenty Years of Progress"**. The book encapsulates the stories of dynamic Moves Power Women and reflects the times in which they were published, highlighting the lessons learned on their journey to success and mirrored by real events and living histories that document women's remarkable advancement over the past two decades.

PRESS: A select number of press tickets will be available, for pre-approved press & confirmed coverage.
